

Data Steward Network Event

Healthy Data

Data & AI-driven research in health and healthcare

When

04 July 2024 13:00 - 14:30

About

Find out how Radboudumc & University join forces to enable *Data and AI-driven research in health and healthcare*.

- **Alain van Gool** (Healthy Data Program director RUMC) will present the mission and vision of Healthy Data.
- **Round table** discussions will give participants the opportunity to talk with **experts** on topics such as unlocking data, computing & storage, AI methods, ethics & policy, etc.

Registration
