

Letters of Guarantee to submit to Radboudumc

EU / EER landen	
S2/E112 form	<p>S2/E112 forms are available within the EU/EEA for planned medical care while abroad. This form can be obtained from your health insurer for planned care in the EU/EEA. The date or the period of treatment must be shown on the form. The form must be filled in completely in order to serve as a valid letter of guarantee. Your invoice will then be charged to your health insurer through the national and/or European platform. You will not have to pay the costs to Radboud university medical center yourself or to make an advance payment.</p> <p>If you would like to know whether the medical care expenses to be incurred will be reimbursed to you in full or in part, we advise you to contact your health insurer or health authority.</p>
eGCI (AOK-CZ card) / International Health Insurance Card	<p>The eGCI card is a health insurance card for people insured by the AOK from certain regions in Germany. We need to receive a copy of this health card (a copy of the front- and backside of the health card).</p> <p>Your invoice will be charged to your health insurer through the national and/or European platform. You will not have to pay the costs to Radboud university medical center yourself or to make an advance payment.</p> <p>If you are in possession of a valid eGCI card, then this is a valid letter of guarantee for most treatments at Radboud university medical center. If you would like to know whether the medical care expenses to be incurred will be reimbursed to you in full or in part, we advise you to contact your health insurer or health authority.</p>
CAK card	<p>If you are in possession of a valid EHIC-CAK card, then this is a valid letter of guarantee for care at Radboud university medical center that falls under the basic insurance package in the Netherlands.</p> <p>On presentation of this health card, you are entitled to make use of planned care in the Netherlands.</p> <p>We need to receive a copy of this health card (a copy of the front- and backside of the health card). You may receive this health card for example if you are a 'treaty-entitled patient', because you are living abroad and are insured via CAK.</p>
'Verdragspolis' = 'Treaty Reinsurance'	<p>If you are resident in the Netherlands, but legally insured outside the Netherlands, you can register with CZ by means of the 'Verdragspolis' = 'Treaty Reinsurance'. This option applies only to insured persons from the EU, EEA, Switzerland, the United Kingdom and treaty countries. You can find out further information at CZ Abroad.</p> <p>We need to have a copy of both health insurance cards (CZ health card and the health card of your country of residence; from each health card we will need a copy of the front- and backside).</p>

	<p>Your invoice will be charged to your health insurer through the national and/or European platform. You will not have to pay the costs to Radboud university medical center yourself or to make an advance payment. If you would like to know whether the medical care expenses to be incurred will be reimbursed to you in full or in part, we advise you to contact your health insurer or health authority.</p>
<p>Letters of guarantee via private – and/or personal insurance</p>	<p>If you are privately insured, we advise you to ask your health insurer for a valid letter of guarantee. Depending on the conditions of your policy, your health insurer can issue you with a letter of guarantee for the necessary care.</p> <p>The date or the period of treatment must be shown on the letter of guarantee. The letter of guarantee must be filled in completely in order to serve as a valid letter of guarantee.</p> <p>The invoices will be sent to your home address after the treatment has been completed. You can submit them to your health insurer.</p> <p>If you would like to know whether the medical care expenses to be incurred will be reimbursed to you in full or in part, we advise you to contact your health insurer or health authority.</p>
<p>Caribbean</p>	
<p>Aruba, Curaçao, St. Maarten</p>	<p>Transcaring provides letters of guarantee on behalf of several health insurance companies (AZV, SVB, SZV).</p> <p>It is necessary that we receive a valid letter of guarantee from Transcaring.</p> <p>The invoice will be processed via Transcaring.</p> <p>If you would like to know whether the medical care expenses to be incurred will be reimbursed to you in full or in part, we advise you to contact your health insurer or health authority.</p> <p>www.transcaring.com www.azv.aw www.svbcur.org www.szv.sx</p>
<p>Bonaire, St. Eustatius, Saba</p>	<p>Health insurance BES is the general health insurance for persons who are living and/or working at Bonaire, St. Eustatius and Saba.</p> <p>Since 2011 a health insurance is obliged for habitants living and or working at these Islands.</p> <p>Valid letters of guarantee for healthcare in the Netherlands are provided by ‘Zorg en Jeugd Caribisch Nederland’ (= ZJCN)</p> <p>For receiving medical care in Radboudumc, we will need to receive a valid letter of guarantee provided by ZJCN.</p> <p>The invoice will be sent to ZJCN.</p> <p>If you would like to know whether the medical care expenses to be incurred will be reimbursed to you in full or in part, we advise you to contact your health insurer or health authority.</p> <p>www.rijksdienstcn.com/zorg--jeugd/zorg</p>
